Respected Sir,

I Mrs. Celine Mary Fernandes am writing this letter in order to thank you for the wonderful favour you have done on us. As my son Christopher was undergoing the treatment for "Pancreatitis". His operation of 6 hours open surgery was completed successfully on 10th Feb 2017. This would have not been possible without your kind love and support. I am running short of words and even my thank you will not be enough for the help you have extended towards us. I pray that the almighty "Allah" may bless, guide and protect you always and your family too. May he give you good health, wealth and strength to support the needy and poor people always so that we can all shower our countless blessings over you and your family.

Lastly i would love to thank you from the bottom of my heart and pray that you should one day become the P.M. of India. Please accept this letter as a token of my thanksgiving. I will always keep you in my prayers till the end of my life.

God bless you and your family.

With lots of blessings,
Mrs. Celine Mary Fernandes.
