Sir,

I write to express me & my family's most humble gratitude and thankfulness to your esteemed TRUST for extending financial grant for my wife MRS. MALATHI MENON'S AUTOLOGOUS STEM-CELL TRANSPLANT/BONEMARROW TRANSPLANT treatment at WOCKHARDT HOSPITAL, MIRA-ROAD. Being unemployed for the last few years, I was all at sea when the ONCOLOGIST MS. UMA DANGI explained about the medical condition of my wife and the procedure to be adopted and the cost factor. However by the grace of GOD ALMIGHTY, family support and grateful/merciful thoughtful people like your goodself we could get the same done. I also want to thank you for building such a good MULTI-SPECIALITY HOSPITAL at MIRA-ROAD which is a boon to the people of MIRA-ROAD upto VIRAR.

I pray to the LORD to bless you and your BOARD OF TRUSTEES with good health, wealth and wisdom to help the poor and distressed.

Thanking you,

Yours trustworthily
