Our family member Mrs. Prabhakar Madhani aged 81 was admitted at Wockhart Hospital on 12-Aug-2017. Due to her regular health issues she was admitted in hospital second time.

However during her course of treatment in the hospital doctors tried their best to cure her disease but unfortunately she was expired due to regular health issue.

During course of final settlement of bill Umrao Trust has really provided great support and would like to appreciate the efforts that has financially aided us. Hence thanking sincerely from bottom of heart.

Your sincerely,
Ajay Madhani &
family.
