Respected sir,
UMRAO Trust, Mira Road

I, Sujata Baladra, daughter of Mrs.
Anathamma Bt Baladra, Sincerely thank
UMRAO Trust for providing my mother
with free cataract treatment.

My Mother, aged 57, underwent
successful right-eye cataract surgery
on 25th September by Dr. Manas. The
treatment cost was ₹38,300, which was
provided completely free through UMRAO Trust.

We are construction workers with a monthly income
of around ₹10,000 and have five children. Due to
our financial conditional, this support has been
a great help to our family.

Thank you very much for this valuable
opportunity and support.

Yours sincerely,
Sujata Baladra
